

Licking Township Community Survey Comprehensive Plan

Licking Township is conducting a community survey as part of its comprehensive planning process. Licking Township is working to update its comprehensive plan to prepare for the growth and change that is expected in Licking County. A comprehensive plan contains a community's vision and serves as a roadmap to guide growth and change when facing development pressure. It provides goals, action steps, and recommendations to create a shared vision. This comprehensive plan will cover the unincorporated areas of the township only. Your input throughout this process is crucial for the Township to understand the residents vision for the area. Please complete this survey to the best of your ability.
